There's also a change between Idris and New York. In both locations, Shadowhunters and their allies must face this new threat while dealing with their own personal problems. The raid on Shadowhunter and the Clave institutes declares an emergency evacuation of all Hunters to the Idris. Fifty are sent to fight against twenty ending up at the Citadel Adamant, but many died in the battle. The Iron Sisters help to defeat them later. Meliorn drugs Jocelyn, Luke, Magnus and Raphael with a potion to sleep, so they can be delivered to Sebastian's forces by Matthias as a bargaining chip for Clary and Jace. When the remaining Shadohunters are in Alicante for a council meeting, they discover that their descent allies have been taken hostage by Sebastian's men who threaten to kill them if Clary and Jace haven't turned within two days. Series, Jace is having trouble controlling his celestial fire. It's something you have to deal with in every book. In this case, he gets hurt by Sebastian and burns another burner. Heavenly fire is also used as a weapon when they enter Edom to save the Worldworkers who are being held hostage by hostages. Jace to a demon that looks exactly like a muffin, whom he killed before. He kills her again by hearing her heavenly fire andturns it into itself because of how much pain it causes. Clary transfers the celestial fire into his new sword that Wayland made for them the two called HEOSPHOROS (Hesperos). In New York, Maia and Jordan find the seat of Praetor Lupus occupied by Endarkened, who have sacrificed many of the werewolves. Sebastian kills Jordan, but leaves Maia to spread the word of Endarked's actions. The slaughter at PraEtor Lupus leaves the temporary leadership vacant for a long time until Rufus challenges the bat to fight for it. Although BAT looks like he will lose, Maia takes his place and defeats Rufus herself. When she discovers that Sebastian has captured the representatives of Windowworker, she decides that it is necessary to form an alliance between the vampires and werewolves even though they hate each other so much because they are threatened by demons. She tricks her friend into drinking holy water that will kill her if she drinks it (because vampires are allergic) and then allows Lily to take her place as a vampire representative after killing her friend with holy water, so no one can say what happened from all. vampires so that no one will worry when they die without notice or explanation from anyone else, except Maia/Lily, who was there when it happened, as they all hated Lily anyway before this point at the time when people were counting on nothing. side because of their hatred towards them already existing prioress mind on the record anyway Thanks again for reading my book! As the book approaches, Clary, Jace, Simon, Isabelle, and Alec infiltrate Sebastian's fortress. At the same time, since this is happening in Idris (the headquarters of ShadowHunter), fairy people have attacked with endovado warriors. The Shadowhunters retreat against them as they try to find out what happened. They released all the hostages from Sebastian's fortress and Clary and Jace confront him. Your plans to open the portals. Portals demonic dimensions and Earth so demons can pass. He asks him to rule the Hell next to him, but she refuses because of her differences of opinion on how things should be there. She tells her they're going to do it together instead of that, he'll put his arms around her so they'll be united as one person again (like Jonathan). When she does it she stabs him with Heosforo, which makes him back into Jonathan, who apologises profusely for everything he has done disguised as Sebastian before telling Jace where he can find the Infernal Cup so that it can be destroyed once again by killing all the Dark warriors who remain at once. The book once again follows the adventures of the teenage Shadow Hunter, Clary Fray, and her allies as she confronted her brother Sebastian Morgenstern and her allies of the Endarkened Shadow Hunters. It also links with The Infernal Devices and the next series The Dark Artifices by having theirTessa Gray and Emma Carstairs, as secondary characters and connecting the worlds of The Infernal Devices DevicesThe Dark Artifacts. The shadow hunters of the Los Angeles Institute meet to discuss the armies of shadow hunters endarkened when the army, led by Sebastian Morgenstern, ambushes the Institute, binds some shadow hunters and kidnaps Mark Blackthorn, leaving the five sisters and Emma Carstairs to escape to Alicante. Maryse Lightwood announces to the New York Institute that an emergency meeting will be held in Alicante to discuss the attack on five Institutes around the world. Clary Fray reluctantly leaves Simon Lewis to be guarded by Maia Roberts and Jordan Kyle for their safety. However, Simon is kidnapped by Maureen Brown and his vampire assistants to be his boyfriend, but Raphael Santiago releases and helps him come to Alicante. Praetor Lupus, the brotherhood of the wolves, is soon attacked by the Endarkened with Jordan and Praetor Scott among the casualties, resulting in Bat Velasquez and Rufus Hastings fighting for the position of the leader of the package. Rufus is about to hand over to Bat when Maia Roberts comes in and challenges Rufus. The emptiness of power finally ends when Maia kills Rufus, becoming the new leader, and also deceives Maureen to drink holy water so that the assistant of the latter, Lily, can usurp her to become the leader of the vampire clan. In Alicante, Emma and Julian Blackthorn are interrogated using the deadly sword. Clary comforting the first when it breaks in tears. Choosing to accept his Moorish heritage, Clary asserts Heosphoros, the twin of Sebastian's Phaosphoros, as his sword. Queen Seelie, now allied with Sebastian, sends Meliorn to ask the representatives of Downworker (Jocelyn Fray, Luke Garroway, Magnus Bane and Raphael) to join them; when they refuse, they take them to Edom, the kingdom of demons. Jace Herondale is wounded during the subsequent conflict and burns Brother Zachariah backhis shadow-hunter character. An Endarkened soon gives an ultimatum for the Key to hand over Clary and Jace. Clary, Jace, Simon, Isabelle and Alec Alec Force Queen Seelie to send them to Edom. Confronting Sebastian, Clary intends to agree with him, but then stab him with Heosphoros, returning him momentarily to the brother he could have, Jonathan Morgenstern, who destroys the Hell Cup before he dies, killing Luke's sister. Amatis. To escape from Edom, Magnus summons his father, Asmodeus, who offers a way out in exchange for the immortality and life of Magnus. Simon offers a clearer choice: his immortality and his memories of the shadow world. The Clave punishes the Faeries and sends Emma to live with the Blackthorns. Alec and Magnus are reconciled and rejoined together. Meanwhile, Clary scatters Jonathan's ashes on Lake Lyn and laments for Simon. Several months later, Jocelyn and Luke held their wedding, which was attended by numerous Hunthunters and Downworkers alike. Simon has remembered bits of the shadow world, as well as his relationship with Isabelle. Attending the wedding is also Tessa Gray and Brother Zachariah (whose identity is not revealed), both formally present to Clary. Characters Clary Fairchild: a teen-shaded companion who has more angel blood than a normal shaded field. Its unique circumstances give you the ability to launch extremely powerful runes and even create new runes that do not exist. Jace Herondale: A field of shadow experienced with the blood of an angel like his girlfriend, Clary. He was previously controlled by a rune that tied him to Sebastian Morgenstern and is currently infused with the heavenly fire during Clary's attempt to purify him, which is lit every time he is excited or in pain. Simon Lewis, Clary's best worldly friend, who became a daylight, a vampire capable of walking in the daylight. He's dating Isabelle Lightwood, but he's also run by his crazy fan, Vampire, Maureen Brown. Isabelle Lightwood: the friendClary and the shadow companion, formerly the middle child of the lightweight wooden brothersuntil the death of his little brother, for whom he blames himself. He's dating Simon Lewis. Alec Lightwood - Isabelle's older brother and Jace parabatai (a kind of bond between shadow hunters). Throughout most of the book, she is torn apart by Magnus Bane, her boyfriend, who broke up with him in the previous book, Lost Souls City. Sebastian Morgenstern - The main antagonist of the book, the leader of the endoblated shadow hunters and the eldest brother of Clary. The book reveals that there are still pieces of good left in it: the true Jonathan Morgenstern, whom Clary is found as part of Edom's illusion, although it is not enough to guarantee his life. Magnus Bane - An 800-year-old watch born of a Great Demon, Asmodeus, and a Dutch-Indonesian mother. His long experience makes him a useful ally for shadow hunters when they need their help for information or runes. He broke up with Alec Lightwood in the previous book, but slowly reconciles with him when he realizes that both are suffering without the other. Maia Roberts - A werewolf who used to date Simon Lewis before he reconciled with his ex-boyfriend, Jordan Kyle. After the death of Jordan and Praetor Scott, he worries about the battle between Bat Velasquez and Rufus Hastings, both fighting for leadership in the package. Jocelyn Fray - The mother of Clary and Sebastian who was infused with angel blood and demon by her first husband, the late Valentine Morgenstern. He's engaged to his childhood friend, Luke Garroway, although his wedding is postponed due to the Dark War. Luke Garroway - A werewolf and an old parabatai to Valentine Morgenstern, the main antagonist of the first three books of the series. Clary has seen him as the only father figure he's ever had. He is also the representative of the werewolves in the Council of the representatives of the countries of the lower world. Luke is committed toFray. Raphael Santiago à A vampire and reluctant helper to the current leader of the vampire clan of New York, York, Brown. He is also the representative of the vampires in the Council of the Representatives of Downworker. Maureen Brown à The current leader of the New York Vampire clan after killing the former leader, Camille Belcourt, and is Simon Lewis's Fangirl. She plans to become Simon's girlfriend. Jordan Kyle à C " An active member of Praetor Lupus and Maia Roberts's boyfriend. He is killed early in the novel when Sebastian and the army of him attack the headquarters of Praetor Lupus, leaving hundreds of dead wolves. Emma Carstairs à A 12-year-old shadow jacket during the dark war after her parents were found dead on land, which the key attributes to be the works of Sebastian. She is an associate close to the Blackthorn family, especially to her parabatai, Julian Blackthorn. Reception city of celestial fire generally received mixed to positive criticsits.
